2002-present

Dr. Britton specializes in cataract and refractive surgery. He has performed thousands of ocular procedures including topical, clear corneal cataract surgery and most types of refractive surgery. He has performed over 20,000 plus cataract surgeries and is currently the busiest LASIK surgeon in central and western Oklahoma (17,000 plus cases). Dr. Britton was Summit and VISX trained in 1996 for PRK and PTK. He also is trained and experienced in the use of Lasersight and Alcon Ladarvision Excimer lasers for LASIK. In addition, Dr Britton has an ongoing interest in Christian medical missions and has made a number of surgical mission trips to Guatemala.
